

Woman Injured On Lake Barkley

LYON COUNTY, KY - A woman involved in a boating accident on Lake Barkley Sunday is recovering at a Nashville hospital.

A member of the Kentucky Department of Fish and Wildlife says around 6:30 p.m. Sunday a couple boating on Eddy Creek made a hard right turn.

The passenger, a woman, fell out of the boat and the prop caught her arm, leg and ankle.

Emergency crews life-flighted her to Vanderbilt for treatment.

Comment: It was reported she was sitting on the sundeck of a rented boat. Wish the news media would give more details, it might help prevent things like this
