

# USCG Untucked Operational Dress Uniform (ODU)

## Coast Guard Rigger's Belt

The Coast Guard Uniform Program has added the Rigger's Belt to the required sea bag beginning FY 2008. The ODU black belt and buckle still remain as an optional belt to be worn with the Untucked ODU.

This belt is a 1 3/4" black nylon belt. When work, the bitter end shall extend 2-4 inches past the belt buckle on the wearers left. (This will require the belt be passed through the belt loops from the right, the opposite of other men's belts.) The basic riggers belt comes in one length and needs to be cut to size. To determine the correct belt length, lace the belt through and over the belt bar. Finally pull to secure. Next, mark the belt so that no more than 4 inches extend past the buckle. Make a straight cut along this mark. Singe the end to avoid unraveling.
